## **Extraordinary Characteristics**

Adarsh Public School is a school with a difference unlike any other school which has its roots in Lahore, started in 1934 by the Founder Late Dr. Bhagat Ram Sahgal.

He was a staunch believer in Swami Dayanand Saraswati - the founder of Arya Samaj (the process of praying the God of Fire).

With such strong ethos and values Dr. Bagat Ram started imparting high moral values into the young minds making them ADARSH citizens in the true spirit.

The school motto "SIMPLE LIVING AND HIGH THINKING" strives to mould every child into modest individual having high ideals and sanguinity in life.

Here at Adarsh we strive to make global citizens necessary for the leaders of tomorrow effusively searching the profound depths of bonds of unity.
