

**BLOOD DONATION CAMP, EYE CHECK-UP CAMP  
& TRAFFIC AWARENESS (STREET PLAY)**

**A single drop...Can save someone's life**

Life often gives us opportunities to put our foot forward and do something for a noble cause but how many of us take a lead? This time we didn't let the opportunity slip off as we stretched our hands to generously donate blood and be a saviour to someone's life. Every Indian says "Rakt dan kar ke dekho, achcha lagta hai". In collaboration with Rotary Blood Bank, the faculty and students of our school organized a Blood Donation Camp on 13<sup>th</sup> October 2012 (Saturday). The camp had the support from the parents & the faculty of the school apart from some dignified rotarians such as Rtn Kamal Bhambani, Rtn. Vimal Gupta, Rtn. Ashish Makhija, Rtn. Gaurav Bhargav, Rtn. Prashant Sahgal & Rtn. Kashish Chandan to name a few. The camp was operational from 8 am to 2 pm which ensured the collection of 110 units of blood apart from about 45 rejections.

## **Vision – a Gift of Eternity**

The vision must be followed by the venture. It's not enough to stare up the steps but we must step up the stairs. With this thought our school headed forward for the Eye Check-up Camp organized by Centre for Sight with the active participation of around 250 people. The effort taken was worthwhile.

### **Kadam, Kadam Badaaye Ja**

### **Road Rules Ko Maane Ja**

Yes! these words make us realize that it's high time to become a safe and secure driver by following Safety Rules & Regulations. The need of Road Safety bounded our young Interactors to ignite the masses through a Street Play on Traffic Awareness. It won the applause by one & all. They also spread the word of awareness by putting up the stickers on the vehicles parked in the school premises to avoid road rage. In future too, we take a vow to carry on with the same spirit.
