

INTERNATIONAL SCHOOL AWARD (ISA)

It was a jubilant moment for Adarsh Public School, when the Principal of the school, Mrs. Usha Sahgal was conferred with the prestigious International School Award 2015-18 under the adage of British Council for her outstanding contribution in implementing international dimension in the school curriculum. The award was received by Ms. Neha & Ms. Jayna, ISA co-ordinators at a glittering ceremony organized by the British Council at Kempinsky Ambience Hotel on 8th July 2015. The award was given by Mr. Mark Herbert, Global Head of Schools, British Council.

The plethora of activities undertaken gave a holistic approach to the students, transcending the national and international boundaries celebrating the rich and diverse cultural heritage of our global village. Some of the activities taken up were Journey to the world, Seasonal Fashion Show, Flag Designing, International Folk Dances, Confluence-National Anthem Singing, just to name a few.

The icing on the cake was a cultural exchange program with the students of Global Indian International School, Singapore. A team of ten students and two teachers got a lifetime opportunity to understand the cultural diversities of the two countries and showcase their talent.

It not only opened new vistas of learning and strengthened universal brotherhood but also gave an opportunity to explore Singapore.

The school also established links with partner countries like England, Sri Lanka, Jordan, Bangladesh, Egypt etc. helping students to appreciate cultural diversity, learn interdependence with other people and develop skills to work as global citizens.

The prize added another feather in the Adarsh cap, spreading the message of Vasudhaiva Kutumbakam, taking the school to a global platform for making better & brighter world citizens.
