Dear Parent

The long awaited summer vacation is here. It means playing for longer hours with friends, going for picnics, travelling, exploring new places and watching fun filled shows on television. However there is a lot more you can do to make your holidays more interesting, meaningful and full of fun.

- \* A healthy mind resides in a healthy body so start your day early and set a routine even during vacation. In addition you and your little one can spend some quality time playing or simply making normal conversation to enhance the bond, go cycling, and swimming to keep yourself fit and healthy. Encourage your child to take care of personal hygiene by inculcating the following habits.
  - Brushing teeth twice daily
  - Combing hair regularly
  - Bathing everyday
  - Washing hands before and after meals
  - Trimming the nails and keeping them clean
- \* Some activities suggested for the kids to experience and value nature, so that they can understand their importance and protect them.
  - Take your child for regular morning walk to breathe in fresh air.
  - Collect pebbles and paint them with your child.
  - Collect leaves and make a collage with your child, let them feel the texture of the trunk and the leaves.
  - Help them in watering the plants and feeding birds.
- \* Encourage self responsibility and accountability. Inculcate following life skills to your child to help him/ her become independent.

  - Conversing freely with visitors relatives coming over to the house.
  - Answering the phone calls with a polite "Hello" and asking "May I know who is calling"?

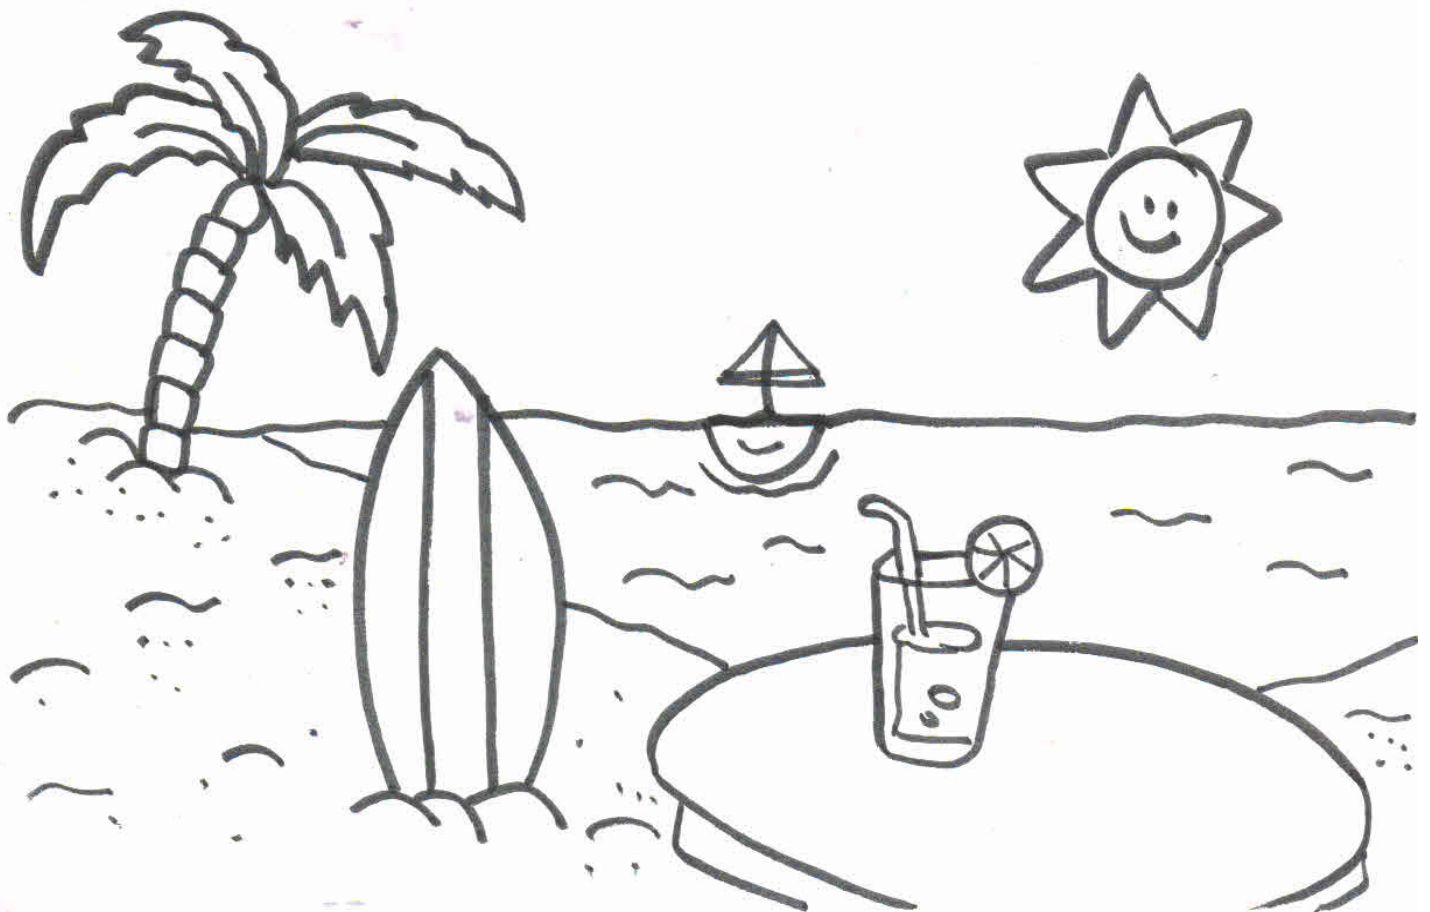

- Speaking politely and sharing with peers.
- \* A book is a child's best friend. Develop a love for reading and listening to stories. Suggested series of story books for reading

  - Bruno
  - Bubbles
- \* Converse with your child in English and make them listen to English programmes to help them get comfortable with the language. Instill the habit of using magic words like I'm sorry, Please, Thank you, Excuse me!, May I? etc.

We wish our little ones a great vacation!!

- \* Revise the syllabus of all subjects done till date. Help the child learn various concepts with the help of storybooks and educational CD's.
- \* Make your kids do the given worksheets on their own and send them back in the school folder on 1<sup>st</sup> July'19.

Happy Holidays to all of you.

Have a great time!! See you on 1<sup>st</sup> July with a Cheerful smile.

Read aloud the following stories and poem to your child and tell them to clap when they hear the sound of the respective letter.

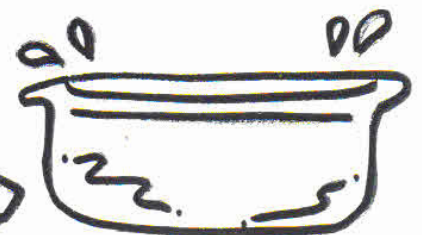

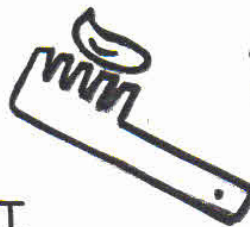

Letter L

Leena is a little girl. She loves lollipops and limca. When she licked red lollipop, her lips became red. She went to her mother and told look mummy, my lollipop lipstick. Mother said get ready we have to go to the zoo. There was a small lake in the zoo where there was a pink lotus with big green leaves. Suddenly Leena heard a loud roar. She looked around and saw the lion roaring. Leena and her mother sat on a log to look at the leopard. Suddenly a lizard jumped on the ladybug. Leena picked up the ladybug on a leaf. She was happy to save the little ladybug.

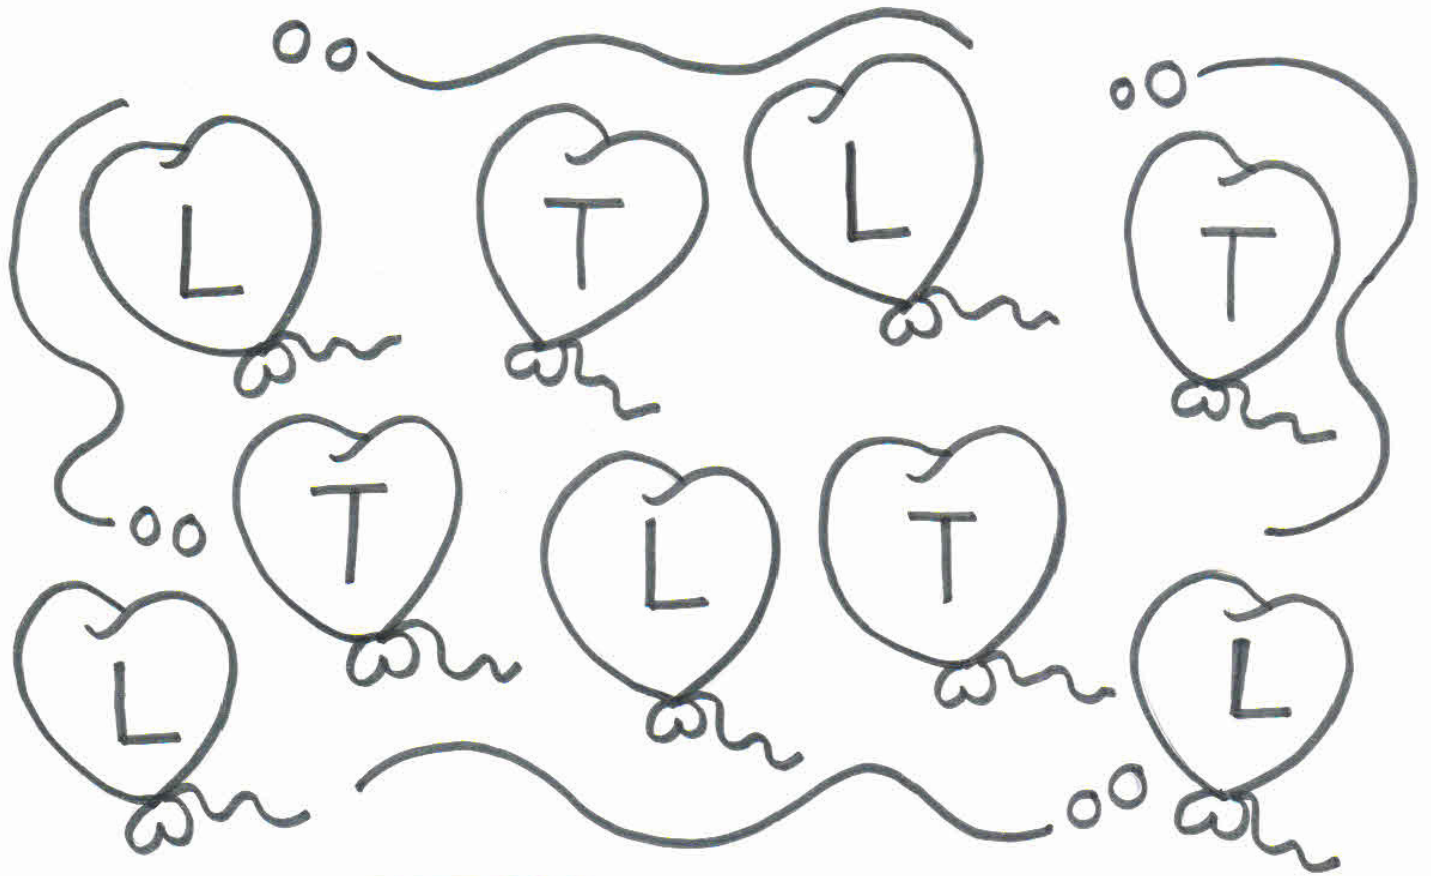

Letter T

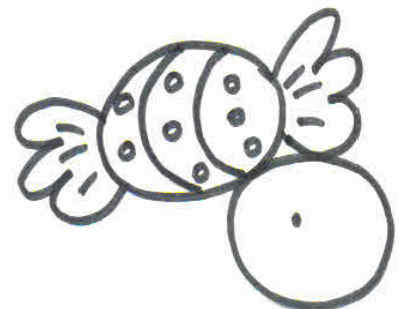

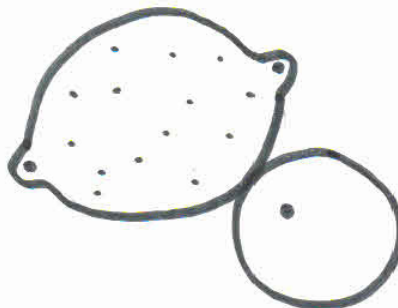

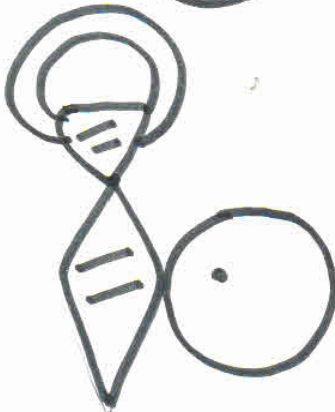

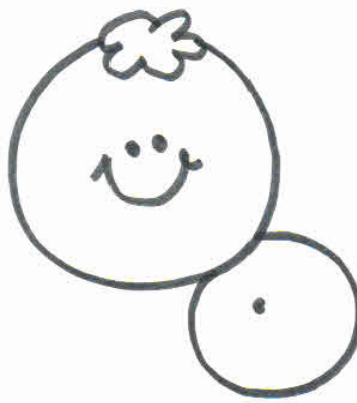

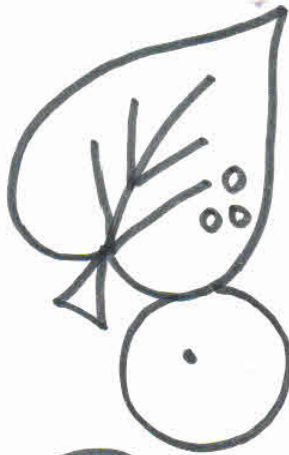

Tarun was getting ready to go to the school. He brushed his teeth with a toothbrush and applied his favorite toothpaste. He took a bath in the tub and told his mom to keep his towel in the bag as he is having his swimming class. He got ready and had tart and toast for the breakfast. Mom filled the juice in his tumbler. The mother took him to the school and told him tiny tales on the way.
