

EARTH DAY

*The soil which heals the wounds
The air which freshness our mood
The water with intense purity
The mountains with White serenity*

To complement the mother earth, the eco club of our school celebrated the Earth Day with a great zeal and enthusiasm. A special assembly was organized which created awareness among the students. The volunteers of eco club depicted the plight of Mother Earth that the level of pollution is increasing due to in human activities of human. These activities support the development of an individual but destruct the home of all individuals. The message which was given through the assembly was "who dwell among the beauties and mysteries of nature are never alone." Under the able guidance of Chairman Sir, Principal Ma'am, Prashant Sir, the eco-club incharge, a poster making competition was held the topic for the same was 'Save our Mother Earth'. Many budding painters participants and filled lot of colours to this celebration.

I would like to wrap up by saying that :

The vehicle has geared up, clutch is set free, now brakes would not be applied, the journey would go on endlessly.
