

ADARSH PUBLIC SCHOOL

C-Block, Vikas Puri

A vibrant summer-themed illustration. At the top left is a bright yellow sun with rays. To its right is a large, triangular slice of red watermelon with black seeds. Below the sun is a red ice cream bar on a stick. At the bottom right is a red and white striped lifebuoy and a yellow donut with sprinkles. The background is filled with various green leaves, including large monstera leaves and smaller fern-like leaves. The entire scene is set against a light yellow background.

HOLIDAYS HOMEWORK

CLASS III
(2021-22)

Dear Parents

Holidays are the best time to step away from everyday life and reconnect with our children. It is the time to relax, enjoy and create a bond with our family. Celebrating the holidays to the maximum does take some planning, especially now when we are facing the present scenario of COVID-19. Here are some suggested activities for you to engage your child. Working together will enhance the confidence and develop necessary skills among them. You can plan a happy holiday season with a wish that even a pandemic can't get in the way of making special holiday memories.

- ❖ Help your child be a nature lover by waking them up early morning and talking about the various birds and their sounds.
- ❖ Instill the value of love and affection by encouraging them to spend time with their grandparents.
- ❖ Encourage the child to use magic words such as Sorry, Please, Thank You, My Pleasure etc.
- ❖ Let your child learn the value of helping around in the house by doing small jobs like watering the plants, dusting, cleaning their cupboards, folding the clothes, filling water bottles etc.
- ❖ Play indoor games such as ludo, chess etc. with your child and online educational games as well.

- ❖ The traditional value based stories such as Akbar Birbal, Tenali Rama etc. are evergreen tales for building the child's creative skills. Do narrate them the stories and undertake activities such as enacting and doing the role play of the characters in a fun way.
- ❖ Converse in English with your child at home to boost their confidence in communication and bringing about an overall personality change in them.
- ❖ Watch Informative Channels in English such as BBC news, Discovery, Discovery Science.
- ❖ Be a Reader: Read few story books and learn new words.

Warm Wishes
